Altitude

Altitude

We are fully committed to the success of the customers we work with. Having great customers helps us attract great staff, and having great staff keeps our customers happy and attracts even more customers that share our values.

Start referring

By choosing Cloudstaff as your outsourcing provider, you have made a choice. You have chosen a company that is dedicated to your success.

Our priority is delivering quality, high-performing teams that create real value for our customers. We will not cut corners, compromise on quality or settle for sub-standard working conditions for our staff.

Our people-first approach to outsourcing, corporate culture and innovation has resulted in industry-leading staff retention, very high levels of productivity, optimized efficiency and complete transparency that benefits our customers, our staff and our company.

We appreciate our amazing customers for choosing to outsource with us and thank them for their ongoing commitment to smarter outsourcing.

Please email altitude@cloudstaff.com to find out more about the Cloudstaff Altitude program.

Refer leads, earn rewards with Cloudstaff Altitude

Cloudstaff Altitude is a rewards program designed to show our appreciation for your ongoing support and give you an opportunity to earn great rewards simply by referring Cloudstaff to businesses that would benefit from great outsourcing.

Altitude points can be redeemed for a wide range of rewards for you and your Cloudstaffers, including hardware upgrades, iPhones and iPads and even discounts on your Cloudstaff fees. They are a great way to thank your Cloudstaffers for their hard work or celebrate special occasions.

5,000 points

Refer a business who would benefit from Cloudstaff outsourcing, and if that referral results in a meeting you will receive 5,000 Altitude points.

30,000 points

If your referral signs up and becomes a Cloudstaff customer you'll receive an additional 30,000 Altitude points.

1,000 points per month

Every month you are an active Cloudstaff customer, we will reward you with 1,000 Altitude points.

1,500 points per month

You will earn 1,500 Altitude points per month for each new staff member you hire for the first 12 months of their engagement.

- * Unused points expire after 24 months of date of issue.
- * FBT is not included. If applicable, FBT is the responsibility of the customer.
- * Some rewards may only be available for delivery in selected regions.
- * Some terms and conditions apply. For more information contact us at altitude@cloudstaff.com.

For you or your Cloudstaffers

iPhones and iPads

Choose from a wide range of the latest mobile devices from Apple for you or your Cloudstaffers.

Rewards in this category can be redeemed for use by both customers and Cloudstaffers.

Apple devices are highly desired items. Any of these devices would be very much appreciated by any recipient lucky enough to receive one.

FBT, taxes and customs may apply to rewards in this category. They are the responsibility of the customer and vary from region to region.

Rewards in this category are shipped directly from Apple and are available to customers or staff in any region that Apple dispatches to.

For your Cloudstaffers

Personal rewards

Choose from a range of personal rewards that your Cloudstaffers will love.

The rewards in this category have been selected based on the feedback from our staff. They are often things that are commonly shared with family, workmates or friends.

These rewards are great for helping your Cloudstaffers celebrate work milestones or special events like birthdays and anniversaries.

Due to the nature of some rewards in this category, they may incur FBT. The FBT is not covered in the rewards program.
